South River City Citizens Assn.
c/o Marc Davis
1404 Alta Vista Ave
Austin, TX
78704

Dear Marc Davis:

I am contacting you because you are listed in the City of Austin Community Registry as a primary point of contact for the South River City Citizens Assn.. If this message has reached you in error, please accept my apologies.

Since 2002, TreeFolks has operated the NeighborWoods street tree delivery program in partnership with the City of Austin. Over the past decade, we've given away over 36,000 free trees in neighborhoods throughout the Austin area. This year, we'd like to come to your neighborhood to offer free trees.

The NeighborWoods program is a partnership between TreeFolks, Austin Energy and the City of Austin Urban Forestry Program and is focused on reducing summer temperatures by shading pavement. During the summer, our staff goes through neighborhoods, placing flags in yards and door hangers at homes to offer trees to residents. We deliver trees from October through March. If you see our flags and door hangers in your neighbors' yards, please encourage them to order the trees.

I've included a flyer with information about the program. If you have a community message board, I would really appreciate it if you would post the flyers there. Also, I would like to schedule a time to come give a brief presentation at selected neighborhood association meetings. If you think your neighbors would be interested in the program, please give me a call at the number below.

Sincerely,
Greg Mast
Community Forester, TreeFolks

Want a free tree?

Every year, TreeFolks distributes **3,600 free trees** to plant along the street at homes throughout the Austin area. Since 2007, we've helped shade over **50 miles of streets!** These trees will provide cooling shade, beautify neighborhoods and give a home to birds and squirrels for decades to come.

If you are an Austin Energy customer and have space for a tree along the street, chances are you are eligible to participate in the program and get a free tree!

Sign up today!
