

MEMORANDUM

To: SOCO Parking Study Project Management Team
From: Nelson\Nygaard
Date: April 18, 2019
Subject: SOCO Parking Study - Data Collection Plan (FINAL)

This memorandum identifies the methodology and relevant parameters of the field data collection to be conducted as part of the South Congress (SOCO) Parking Study. Additionally, this memorandum also requests other data sources for understanding travel behavior to, from, and within the study area of the project.

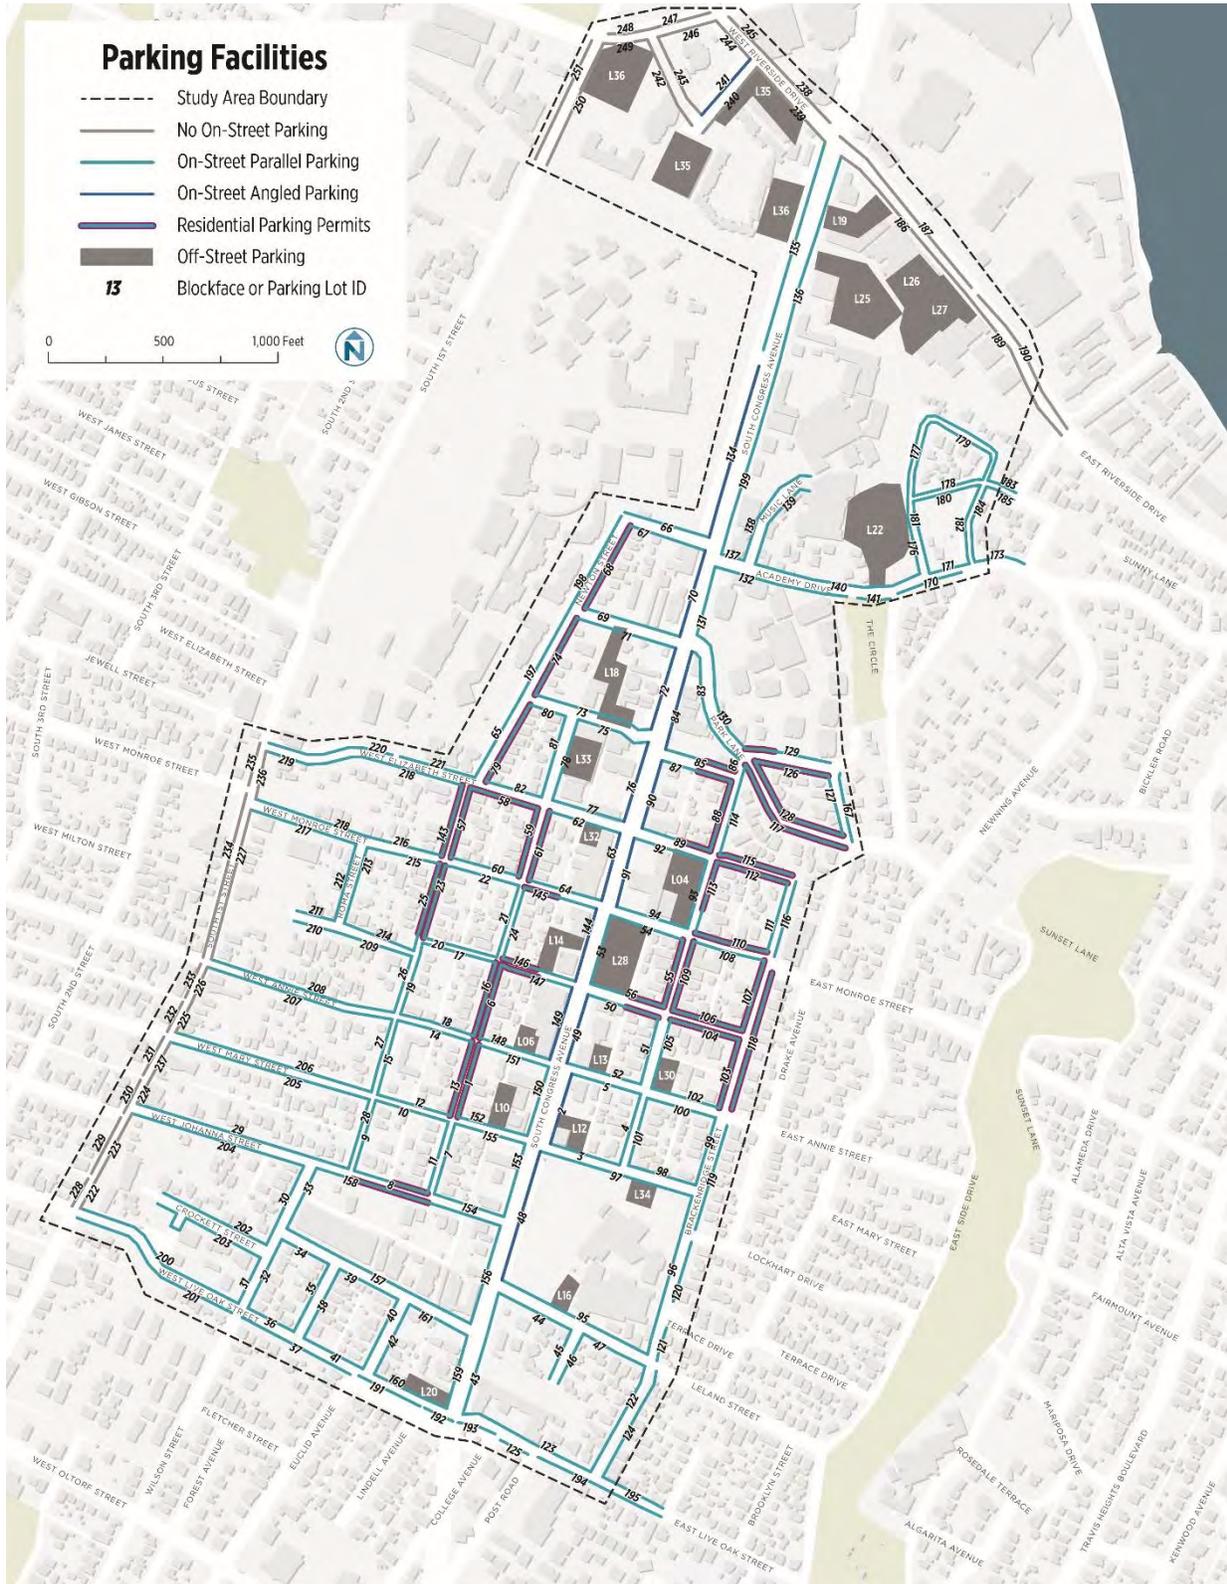

STUDY AREA

The proposed study area, blockfaces, and lots/garages for data collection are shown in Figure 1. The data collection zone stretches from approximately East Riverside Drive to Live Oak Street and South 1st Street¹/Newton Street to Brackenridge Street/Hillside Drive.

¹ Data will NOT be collected for blockfaces on South 1st Street nor for any off-street lots west of Newton and Wilson Streets.
